

Haras des Trotteurs is proud to be conducting the Haras des Trotteurs 2yo Trotters Classic, worth over \$150,000 in prizemoney at Menangle in 2026 to eligible HDT 2022/23 progeny.

We would like to congratulate all breeders on successfully breeding a foal to one of our stallions in the 2022 / 2023 breeding season that is eligible to nominate for the Haras des Trotteurs 2yo Trotters Classic.

Heats will be conducted at Menangle in the second half of 2026, with one final for the Fillies and one for the Colts and Geldings to be held the following week.

There is a one-off payment of \$330 with no extra payments needed to nominate your horse.

Whether you breed to race or sell, HDT believe that this race series is a great opportunity for all progeny eligible, with \$75,000 on offer for both Fillies and Colts & Geldings.

As we continue to offer some of the best trotting bloodlines in the world, we want to take the opportunity to thank all our breeders for supporting our vision of developing the trotting gait in Australasia.

Please contact Louise or Georgia for more information.

Kind regards,
