### THE RICHEST AND ONE OF THE FASTEST 2YO TROTTER TO STAND AT STUD IN AUSTRALASIA

Blessed with outstanding conformation and type, **ON A STREAK** raced in elite 2-year-old trotting company and was crowned the 2020 O'Brien 2YO Trotting Colt of the Year and won the 2 year-old Breeders Crown, in a race record of 1.52 previously held by Walner.

**ON A STREAK** (1.52.4, US\$740,947) actually earned more as a 2YO than **WALNER**, (1.51.3, US\$404,037) and went faster than **MUSCLE HILL** (1.53.3, US\$827,302) as a juvenile.

In fact of all the current available stallions only, **FATHER PATRICK** (1.52, US\$744,057) and **SOUTHWIND FRANK** (1.52.2, US\$786,419) time and earnings bettered **ON A STREAK**.

As a 2YO **ON A STREAK** was faster and earned more than **PASTOR STEPHEN, MUSCLE MASS, TRIXTON, WHAT THE HILL, CREATINE, SIX PACK, TACTICAL LANDING, MAJESTIC SON, ANGUS HALL, ANDOVER HALL, CENTURION ATM, ZENITH STRIDE, ALDEBARAN EAGLE, HELPISONITWAY**, etc

### BREEDING HINTS

A son of **CANTAB HALL** who is a proven source of early speed, **ON A STREAK** also has a maternal pedigree which should be an instant hit with most of Down Unders mares.

His dam **HABITS BEST** is by **MUSCLE YANKEE** means he will offer duplications to mares by **MUSCLE HILL, SKYVALLEY, MUSCLE MASS** and **DOWN UNDER MUSCLES** or carry **MUSCLES YANKEE** further back in their pedigrees. He will also cross with mares by **CREATINE, LUCKY CHUCKY** and **EXPLOSIVE MATTER**, who are all out of **MUSCLES YANKEE** mares.

**ON A STREAK** will also cross well with mares by or carrying **YANKEE PACO** in their pedigrees, since he is out of **MUSCLES YANKEE's** full sister **YANKEE PLAYGIRL**.

The successful stallion **EXPLOSIVE MATTER** is also by **CANTAB HALL** out of a **MUSCLES YANKEE** mare in **FIREWORKS HANOVER**. He has had nearly 100 winners in Sweden and the patterns emerging there bode well Down Under mares.

With so many mares here by **MAJESTIC SON** and by his sire **ANGUS HALL**, and also by **ANDOVER HALL** and his well patronised sons **MONKEY BONES** and **THE PRES, EXPLOSIVE MATTER** has nicked well with all of the famed "HALL" brothers.

He has produced 10 winners out of **CONWAY HALL** mares, 4 each from **ANDOVER HALL** and **BROADWAY HALL** (Conway Hall) and a couple of winners from **ANGUS HALL** who would not have the numbers of the others.

The other definite pattern which has emerged is that **ARNDON** line stallions **PINE CHIP** (7) and **DREAM VACATION** (6) have nicked especially well which is promising for their broodmare owners here, and of course all those legions of **SUNDON** mares.

## EUROPEAN GROUP 1 AND MULTIPLE GROUP 2 & 3 WINNING STALLION

By **LOVE YOU**, Sire of champions worldwide, including 2020 USA 2YO C&G Trotter of the Year **VENERATE**, Royal Dream, Village Mystic, Booster Winner etc.

From extremely limited books Down Under his 2YOs have won 3 NZ 2YO Trotting Stakes, Harness Jewels and the Australasian 2YO C&G Crown while his 3YOS have Great Northern, NSW, and NZ Trotters Derbies and NSW, Victorian and NZ Trotters Oaks.

Love You's aged brigade have won 3 ANZAC Cups, 3 NZ Trotting FFA, 2 Dominion Handicaps, the Rowe Cup, National Trot and an Australasian Trotting Championship at Group 1 level. He was leading 2 and 3YO sire in NZ on April 30.

From **CRYD DREAM**, USA 2YO Trotter of the year and one of the best of her generation, from the family of US Breeders Crown winner **BRIGHAM DREAM** (CA) 1. 53.2 (\$639,280) and Swedish Sprint Champion **TAE KWON DEO** (US) T1.52 (€221,872 Euro).

## BREEDING HINTS

**CLASSIC CONNECTION's** sire **LOVE YOU** has nicked incredibly well with **SUNDON** and **PINE CHIP** mares, and his only sons Down Under, **QUAKER JET** and **VILLAGE MYSTIC** have already nicked well with mares from these stallions in their early crops racing.

**CLASSIC CONNECTION's** dam **CRYD DREAM** is by a son of **SPEEDY CROWN** from a mare by **BALANCED IMAGE**, offering the opportunities for duplications with a wide variety of Australasia's broodmares especially **MUSCLES YANKEE, MUSCLES HILL, EARL, MONARCHY, MAJESTIC SON, ANGUS HALL** and **ANDOVER HALL** and sons.

**TAURUS DREAM** also has a live maternal line to **CAPRIOR**, and thought to carry the thoroughbred X-factor trait shared by many of the top French sires such as **LOVE YOU** and **READY CASH**, which may explain the breed's superior stamina.

## BRED BY J-P DUBOIS

**WORLD'S GREATEST STALLION BREEDER** who pioneered the cross-breeding of French and American trotting bloodlines to produce the breed changing stallions: **COKTAIL JET, VARENNE, AND ARIFANT, LOVE YOU, GANYMEDE, GOETMALS WOOD, INFINTIF** etc (Plus the breeder of thoroughbred stallion sensation **SCAT DADDY**.)

Mr Dubois has retained ownership of **CLASSIC CONNECTION** specifically to put over his band of non-French eligible mares, such is his faith in the stallion. Haras des Trotteurs has the Southern Hemisphere breeding rights.

### GROUP 1 WINNING SIRE

**USED TO ME** is a Group 1 winning sire Down Under, with limited numbers on the ground, producing **DONT CARE**, a Group 1 Australasian Breeders Crown champion at 2 years who was also the Australian 2YO C&G of the year with five wins.

He is also the sire of Group 3 winning mare **IMSETTOGO**, who was a narrow second in the Group 1 Victoria Trotting Oaks and was a very good winner competing in open company

His foals trot early, with five of his 18 Australian winners to date, scoring their first victory as a juvenile, such as last season's dual group winner while a further 12 broke through for their maiden win at three, including six last year, where he ranked sixth in Australia in this crop.

### BREEDING HINTS

**USED TO ME** is the best son of his sire **NUAGE DE LAIT** who is a second generation Franco-American, being a son of **DEFI d'AUNOU** who is by **SPEEDY CROWN** stallion **ARMBRO GOAL**.

**USED TO ME** has worked well with **SPEEDY CROWN** line mares, producing four winners, all but one have **SPEEDSTER** lines in their second dams. including his Group 1 winning son **DONT CARE**.

**USED TO ME** has had three winners to **SUNDON** mares, while seven of his other winners also have **SPEEDSTER** lines in the second and third damsires.

Of particular interest for Down Under breeders is that four of his winners including the Group 2 winning **ImsettoGo**, are out of **VICTORY SONG** line stallions, which are especially prominent here, in **MONARCHY (2) ANDOVER HALL** and **ANGUS HALL**.

### ROYALLY BRED FRENCH STALLION WHO HAS PROVEN A HIT DOWN UNDER

### ONLY SON OF READY CASH TO STAND IN NEW ZEALAND

**EN SOLITAIRE** stands his fourth season in New Zealand, with his first crop of 2YOs ready to hit the track in the New Year after breaking in well and getting great reviews from trainers.

Bred on same **READY CASH/LOVE YOU** golden cross as the super stars Bold Eagle and Face Time Bourbon, and the Group Winners and new sires Atlas des Joudes and Cash And Go.

**READY CASH** and his sons have dominated European trotting over the past decade and **EN SOLITAIRE** provides a great outcross for Down Under mares, bringing a powerful mix of the most modern bloodlines seen repeatedly in world class horses.

Only a persistent injury prevented **EN SOLITAIRE** from a racing career after qualifying well as a 2YO and showing exceptional speed and ability at a young age.

His yearlings sold well at this year's sales fetching up to \$37,000.

### BREEDING HINTS

**EN SOLITAIRE** is from a Love You sister to millionaire Group one winner and group one winning sire **KAISY DREAM**, and group winning sire **PAISY DREAM** plus 15 other winners.

He Carries the breed changing US stallion **SPEEDY SOMOLLI**, and the highly influential French stallion **CAPRIOR** doubled up in the maternal line.

**EN SOLITAIRE** and successful stallion **BOLD EAGLE** share very similar breeding profiles and should suit similar mares.

Both are by Ready Cash out of Love You mares, while their second dams are by Speedy Somolli and Workaholic, who are both by Speedy Crown out of the closely related mares **SOMOLLI** and **AH SO**, whose dams are full sisters.

**BOLD EAGLE's** has worked with a wide range of mares in Europe, and is especially effective of mares with **SPEEDY CROWN** lines anywhere in the pedigree including with **MUSCLE HILL** and **MUSCLES YANKEE** mares.

In Sweden he has had success with the many Stars Pride line mares, such as by **CREDIT WINNER** and **SJ's PHOTO** with the vast majority again having Speedy Crown lines in their pedigree.

**BOLD EAGLE** has also been successful with **SPEEDSTER** line mares by stallions such as **SELF POSSESSED**, again with almost all having **SPEEDY CROWN** lines further back in the pedigree in the second and third damsires.

This is great news for owners of Speedster line **SUNDON** mares or those by **DREAM VACATION**

## FRENCH SUPERSTAR, NOW ONE OF THE MOST SOUGHT AFTER STALLION IN THE WORLD.

The winner of 21 Groups I and more than 5 million euros on tracks throughout Europe and even in North America, is now continuing to follow a similar path to his sensational sire **READY CASH**.

In trotting powerhouse Sweden, he has sired Elitloppet finalist and multiple group 1 winner **AETOS KRONOS** (1'09"6, 10,959,262 kr), the two time group 1 and Swedish Oaks winner **EAGLE EYE SHERRY** (1'11"2, 6,181,000 kr) and the group 1 Svenskt Trav-Kriterium winner **BRAMBLING** (1'12"2, 5,240,000 kr) in his first couple of crops to race.

He has also produced the winner of France's earliest age group classic, with Criterium des Jeunes winner **GREEN GRASS** proving that his stock run early, taking the Classic which is run very early in the French 3YO season, the equivalent of our new 2YO season.

## BREEDING HINTS

**BOLD EAGLE's** maternal profile is a very modern Franco-American mix with his 1st dam by second generation Franco-American **LOVE YOU** (Sam Williams) his second dam by US stallion **WORKAHOLIC** (Speedy Crown) and his third dam by **PASSIONANT** (Stars Pride)

In both France and Sweden, **BOLD EAGLE** has been very successful with mares by Victory Song line stallions such as **GOETMALS WOOD**, **GARLAND LOBELL** and **ANDOVER HALL**. In Sweden more than half the mares carried Stars Pride lines in their pedigrees in their second dams.

In France, more than half the second dams were by Speedy Crown line damsires, while Speedy Crown lines are also found in more than half the pedigrees of Stars Pride line mares in Sweden.

**BOLD EAGLE's** has worked with a wide range of mares, and is especially effective of mares with Speedy Crown lines anywhere in the pedigree including with **MUSCLE HILL** and **MUSCLES YANKEE** mares.

In Sweden more than half the mares have Victory Song line mares such as **GARLAND LOBELL** and **BALANCED IMAGE** as their second dam sires while many also have additional Speedy Crown lines further back in the pedigree.

Immensely popular in Sweden due to his success with the many Stars Pride line mares, such as by **CREDIT WINNER** and **SJ's PHOTO** with the vast majority having Speedy Crown lines in their pedigree. This pattern is also seen in France, although Speedy Crown is seen in about half the mare's pedigrees.

**BOLD EAGLE** has also been successful with Speedster line mares by stallions such as **SELF POSSESSED**, again with almost all having Speedy Crown lines further back in the pedigree in the second and third damsires.

## FROM THE SAME OUTSTANDING CROP AS HIS THREE-QUARTER BROTHER BOLD EAGLE, & A GROUP ONE WINNER IN HIS OWN RIGHT.

Brillantissime fashioned an outstanding race career winning in the same age group as Prix d'Amerique winners **BOLD EAGLE** and **BELINA JOSS-ELYN (LOVE YOU)**, plus multiple Gp1 winners and successful sires **BIRD PARKER (READY CASH)** and **BOOSTER WINNER (LOVE YOU)**.

**BRILLANTISSIME** was the best 2YO of this crop, and was one of the few to beat **BOLD EAGLE** as a 3YO and ran second to him in the Criterium des 3 Ans, while winning 3 of that year's French Group 2s. Precocious himself, **BRILLANTISSIME** has been a sensation at stud, routinely being among the top producers of young qualifiers, nicking superbly with

**LOVE YOU** mares, with no less than 22 to race including group winners **GIRLS TALK** (1'12"1 €312,900), **HOKKAIDO JIEL** (1'11"8 €271,560), **HEAVEN'S PRIDE** (1'14"5 €207,070) and **HOLZARTE VEDAQUAIS**.

## BREEDING HINTS

**BRILLANTISSIM**'s maternal profile is a very modern Franco-American mix with his 1st dam by Franco-American **BUVETIER D'AUNOU** (Speedy Crown), his second dam by second-generation Franco-American **PASSIONANT** (Stars Pride) and his third dam by **VALMONT** (Fuschia).

In both Sweden and France he has been very successful with the "Old American" Sam Williams line damsire such as **COCKTAIL JET** and **LOVE YOU**. His winners are from a wide variety of mares with Speedy Crown lines present in the second dam of about a third of Swedish winners and a quarter of French winners.

Like many sons of **READY CASH** he has had great success with Victory Song line mares from stallions such as **ANGUS, ANDOVER** and **CONWAY HALL** in Sweden and **GOETMALS WOOD** and his sons in France. In Sweden the majority of his mares carry Stars Pride in their pedigree while the same applies to roughly a third of his French mares. Speedy Crown lines are present in roughly half the French mares in either 2nd or third damsire.

**BRILLANTISSIME** has also been very successful with Speedy Crown line stallions in France over a wide variety of mares.

This also applies in Sweden with the likes of **YANKEE GLIDE** mares again with Stars Pride usually prominent in the mare's pedigrees.

And he has also produced winners from Stars Pride line mares, in Sweden again with mares carrying additional Stars Pride lines in the second or third dams. Stars Pride line mares in Australasia include those by **PEGASUS SPUR, CRAZED** and **BACARDI LINDY** or pedigrees containing **GAME PRIDE** or **TUFT**.

**BRILLANTISSIME** has also been successful with Speedster line mares in Sweden, such as **EXPLOSIVE MATTER** (Cantab Hall) although in small numbers.

## BREEDING HINTS

**ERIDAN** possesses an impeccable stallion pedigree, a potent combination of the three flagship French sires **READY CASH**, **COCKTAIL JET** and **VIKING'S WAY**, inbreeding on the latter (3x3) while his dam is the outstanding producer **TOPAZE D'ATOUT** (by Coktail Jet) who has left four winners of her first four foals to race, including two at Group 1 level.

**COKTAIL JET** is the leading broodmare sire of all time in France, with six of the eight richest crops, including three which have won over 10 million euros.

**COKTAIL JET** whose stallion sons **LOVE YOU**, **QUAKER JET** and **THE BEST MADRIK**, have been successful with **SUNDON** and other **SPEED-STER** line stallions such as **PINE CHIP** and **DREAM VACATION**.

This pattern is also seen in associate sire **USED TO ME**, who is also out of a **COKTAIL JET** mare and has been very successful over a wide variety of mares, despite limited opportunities.

**ERIDAN** is one of 16 sons of **READY CASH**, available now in Sweden, as Scandinavian breeders flock to this phenomenally successful sire line, with **READLY EXPRESS** following his father into the sires top ten, and **BOLD EAGLE** also in high demand.

## ERIDAN IS A FRENCH GROUP 1 WINNING SON OF THE GREAT READY CASH

The highest credentialled stallion ever to stand in Australia, Eridan, was a very fast and precocious trotter, and a French group winner at 2.

Eridan was a brilliant 2, 3 and 4-year-old who won four group races at three, and two others at four including Europe's top race for 4YO's, the Group 1 Criterium Continental in a race record mile rate of 1.51.3.

His time was faster than superstars **BOLD EAGLE** and **FACE TIME BOURBON**, both of whom also won this race.

Eridan is out of Topaze d'Atout (1.12, €179,542) a Group 2 placed daughter of Coktail Jet and a full brother to dual French Group 1 winning filly Gunilla d'Atout (Criteriums des 3 Ans and 4 Ans)

Outstanding fertility and proven sire - top 10 sire in his first crop J - Vintage now 3 years ( from 750 stallions in France).

## CLASSIC CREDENTIALS

Eridan joins an esteemed list of champions who won the Criterium Continental, the final of the five French Criteriums, and the only one to feature the cream of European trotters and to offer a place in the Grand Prix d'Amerique. French superstars Face Time Bourbon and Bold Eagle won the race, as did Timoko and all three are now forging a career as stallions, as many have before.

French supersire Love You won the race in 2004, and he is the damsire of both Face Time Bourbon and Bold Eagle. Love You's great grandsire Fakir du Vivier won the 1975 renewal, while Ready Cash, the sire of Eridan, Face Time Bourbon and Bold Eagle, has 1996 winner Extreme Dream as his damsire while the race's first winner Seddouk (1966) appears twice in his pedigree.

## SIRE OF MULTIPLE CHAMPIONS WORLDWIDE ALL OVER THE WORLD

Including Prix d'Amerique winners **ROYAL DREAM** and **BELINA JOSSELYN**, Elitloppet winner **NAHAR** plus 2020 USA 2YO C&G Trotter of the Year **VENERATE**.

From extremely limited books Down Under his 2YOs have won 3 NZ 2YO Trotting Stakes, Harness Jewels and the Australasian 2YO C&G Crown while his 3YOS have won Great Northern, NSW, and NZ Trotters Derbies and NSW, Victorian and NZ Trotters Oaks.

Love You's aged brigade have won 3 ANZAC Cups, 3 NZ Trotting FFA, 2 Dominion Handicaps, the Rowe Cup, National Trot and an Australasian Trotting Championship at Group 1 level.

He was leading 2YO sire in NZ and No 2 in 3YOs.

## BREEDING HINTS

**LOVE YOU** has nicked incredibly well with **SUNDON** and **PINE CHIP** mares 28 out of his top 40 Australasian offspring are from mares from these **SPEEDSTER** line stallions especially **SUNDON (19)**, **PINE CHIP (7)**, **DREAM VACATION** and **ARNDON**.

The other pattern that very clearly emerges is that, as it is in Sweden, **STAR'S PRIDE** lines are also prominent in the second (6) and third (12) damsire positions, with **GAME PRIDE (5)** second position and (3) in third position while **TUFT** has (7), all in third position.

Interestingly, five of **TUFT**'s appearances occur with **ARMBRO DEL** as the second dam sire. There are also five occasions where **CHIOLA HANOVER** is the second dam sire, four of them to **SUNDON**, and another occasion when **CHIOLA HANOVER** is third dam sire, with **SUNDON** as second dam sire. **SUNDON** is second dam sire on another five occasions, two to **VICTORY SONG** line sire **MONARCHY**.

This pattern also occurs in Sweden which has a very different makeup, with its much larger trotting industry, which has imported many thousands of richly bred stallions and mares over the past century.

The patterns which have emerged there show that five **SPEEDSTER** line damsires appear in his top 30 Swedish-bred progeny, with **STAR'S PRIDE** lines appearing in second, or third position on four of those.

In Sweden, **LOVE YOU** has worked extremely well with mares from **SPEEDY CROWN** line stallions (including **SPEEDY CROWN** himself) with 12 occurrences especially in combination with **STAR'S PRIDE** line stallions in second (5) or third position (5).

The combination is also almost as potent in reverse with a further 7 mares being of **STAR'S PRIDE** sire lines, 6 of them with **SPEEDY CROWN** line sires in second position.

## EXCEPTIONAL EUROPEAN SIRE WITH AMAZING STRIKE RATE

High percentage International stallion who is continuing his phenomenal winning streak down under.

**ORLANDO VICI** won both French age-group classics, 3 and 4YO Criteriums and six Groups II earning €835,000 before injury ended his career prematurely.

Throughout Europe he has produced a string of Age group Classic winners such as former European No1 and leading sire **UN MEC d'HERIPRE** and has produced the winners of Derbies all over Scandinavia, where he has been phenomenally successful, indeed producing three entrants in last year's Eliloppet.

In Australasia he has produced a steady stream of winners, including Group 1 winner **CRAVACHE DOR** and Group 2 winners **BRANDLO PRINCE**, **ADELLE NZ** and **OLLIVICI NZ**

To date he has produced 17 winners with an average earnings per starter of \$42,797 every one of his first Australian crop of 11 foals such.

## BREEDING HINTS

**ORLANDO VICI's** maternal profile is a modern Franco American with his 1st dam by North American import **WORKAHOLIC** (Speedy Crown) over a Trotter Francaise 2nd dam **CHAMBON P** (Fuschia) and "Old American" 3rd dam by **HERMES D** (McK-Inney).

In both Australia and Scandinavia **ORLANDO VICI** has been very successful with Speedster line stallions such as **SUNDON** and **DREAM VACATION**, especially when the mares carry Speedy Crown lines in their pedigrees in the second and third damsires.

The converse is also true, with **ORLANDO VICI** working very well with Speedy Crown line damsires such as **MUSCLES YANKEE**, especially when they also carry Speedster lines in their pedigrees in the second and third damsires such as **PINE CHIP** and **SUNDON**.

**ORLANDO VICI** has also produced multiple winners in Scandinavia and Australia with mares by Victory Song line stallions such as **YANKEE PACO** but more than 80% have Speedy Crown in their pedigrees as their second damsire and **STARS PRIDE** line sires in the third dam.

**STARS PRIDE** line stallions such as **SUPERGILL** are popular in Scandinavia where **ORLANDO VICI** has been hugely successful, and he has multiple winners with mares by such stallions, with most containing either Speedster or Speedy Crown line stallions in their pedigrees.

Stars Pride is not so common here recently, but this pattern has been replicated in winners from **CR COMMANDO** and **CONTINENTALMAN**.

## A CHAMPION ON THE TRACK POSSESSING AN IMPOSING INTERNATIONAL PEDIGREE.

**QUAKER JET** is super sire **LOVE YOU**'s greatest son, a triple winner at Group I level, and twice placed in the Prix d'Amerique. Exceptionally fast, coupled with French stamina and a long-stride he combined that with a truly outstanding pedigree.

As a son of **LOVE YOU** and, therefore a grandson of **COKTAIL JET**, he is inbred on his dam, Armbro Glamour (3x3), who is also his maternal granddam.

His other outstanding crosses, include **FAKIR DU VIVIER** (4x3), **SUPER BOWL** (4x4), **SPEEDY SOMOLLI** (4x4), **STAR'S PRIDE** (5x6x6x5), and **SPEEDY CROWN** (5x5) allowing duplications on a wide spectrum of mares.

## PROGENY

**QUAKER JET** has consistently been among the top echelon of stallions in France, siring a host of elite performers, including the champion Aladin d'Écajeul, and now sire, in his very, first crop. and Bixente and Elisione Mag, both classic placed, Ciperla Mag (four Groups II at 3 years old), and other group winners Agneska and Alizéa du Kastel, Comtesse du Chêne, Direct Way and he also almost immediately become a group one winning broodmare sire when one of his daughters produced Helgafell, the European number one of his generation.

Ranked 7th French stallion in 2020 Championship at Group 1 level, **QUAKER JET** has also produced stars with limited opportunities internationally, including Italian entire Voltaire Gifont, a group winner in Italy and France.

Down Under he has quickly become a Group 1 winning sire, with limited numbers on the ground, producing Im Ready Jet, a Group 1 Australasian Breeders Crown champion at both 2 and 3 years.

His foals are more than capable of going early, with three of his 15 Australian winners to date, scoring their first victory as a juvenile, while a further eight broke through for their maiden win at three.

## BREEDING HINTS

**QUAKER JET** has shown an immediate ability to nick with a wide variety of mares, in line with his pedigree which has multiple crosses with prepotent stallions **SUPER BOWL** (4x4), **SPEEDY SOMOLLI** (4x4), **STAR'S PRIDE** (5x6x6x5), and **SPEEDY CROWN** (5x5).

Of particular interest for Down Under breeders is that two of his top three progeny, including the Group 1 winning Im Ready Jet, are out of **VICTORY SONG** line stallions, which are especially prominent here, in **MONARCHY** and **ANGUS HALL**.
