Currently ranked seventh in France, whose progeny have earned more than 11 million euros in earnings and sire of Group I winner **ETONNANT**, winner of this season's French triple crown jewel Prix de Paris.

Sire of **DREAMMOKO**, a genuine group one performer and who **TIMOKO** raced on the Scandinavian Summer circuit in his final year.

A French Group II winner **Dreammoko** has been placed in trotting powerhouses Italy and Sweden's greatest races, running second in the G.P. della Lotteria and 4th in the Élitloppet final.

He also sired Group II winner Elite du Ruel plus 36 who have earned over €100k.

BREEDING HINTS

Has been a very good performer at stud, nicking well with Dubois stallions, especially **COCKTAIL JET**, **GOETMALS WOOD** and Nesmile's maternal family, **LOVE YOU**, **DEFI D'AUNOU**, and **IN LOVE WITH YOU** (his top five nicks).

TIMOKO, who shares **AND ARIFANT** as a damsire with **LOVE YOU** also has very similar patterns with **SPEEDY CROWN** and **STAR'S PRIDE** sirelines working together in combination in his Scandinavian progeny damsire stats.

15 of **TIMOKO**'s top 40 progeny are out of **SPEEDY CROWN** line mares, 7 of them with Star's Pride line damsires, and another 3 in third damsire position. **VICTORY SONG** lines filled four of the second dam positions and two others in third damsire position.

STAR'S PRIDE line sires filled 12 of the top 40 progeny damsires, with **SPEEDY CROWN** lines in second dam position in 5 of those. There were 3 **SPEEDSTER** line sires as the second damsire, but what was also noticeable was **STAR'S PRIDE** line sires also filling in the second and third damsire positions on 10 occasions.

And like **LOVE YOU**, **TIMOKO** also worked well with Speedster line mares with 6 of his top 40 progeny coming from this nick, with **SPEEDY CROWN** at second dam on 4 of those, and **STAR'S PRIDE** at third dam on three and once at second dam.
